UNIQUE SEAFRONT VILLA IN THE EMERALD COAST

Property ID: IVM179

€390 000 + 3% VAT / **FOR SALE**

Description

In 1986 we got to know by chance and learnt to love Tuscany. In the search for new houses and flats for you, we often stop during our trips to the various regions and breathe Tuscany - with its beauty changing every day and its numerous scents and aromas caressing our senses. Tuscany is like the sea - different every day and simply breath taking.
